Destek Sacı için Hidrolik Panç Pres
Hydraulic Punch Press for Reinforcing Steel

ÖZGENÇ MAKİNA

HD 200 CW

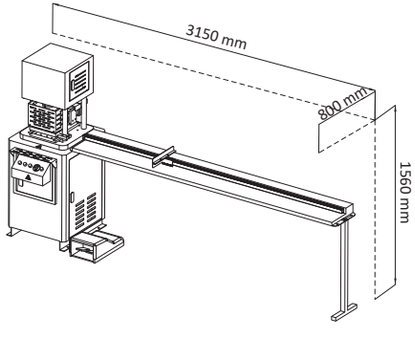

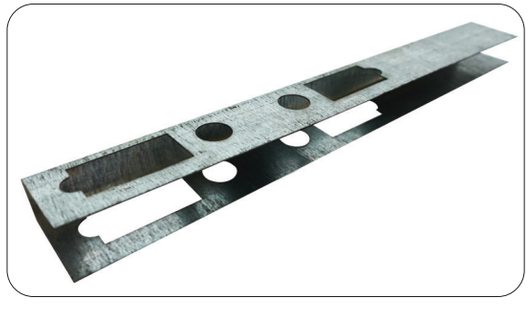

TR

- Destek sacı kol barel delme işlemi
- Destek sacı boy kesme işlemi
- Hidrolik sistemli kesme ve delme işlemi
- Destek sacı ölçüsüne göre değişebilen kesme kalıpları
- Değişik destek sacı formları için özel kalıp
- Maksimum 3 mm destek sacı kalınlığı
- Ayak pedalıyla pratik çalışma

EN

- Handle and lock cylinder punching
- Support plate length cutting operation
- Hydraulic cutting and drilling system
- Interchangeable cutting molds according to support plate size
- Special molds for different support plate shapes
- Maximum support plate thickness: 3 mm
- Convenient operation with foot pedal
